

Important items to remember.

1. Answer **ALL** questions in section A. (**4 questions**).
2. Section A should be on a **devised** piece of work.
3. Answer **TWO** questions in section B. Both 05 and 06 **OR** both 07 and 08.
4. Section B should be about **A script you have studied (the crucible or Blood Brothers)**.
5. You are **not** allowed to take your books in so make sure you learn **at least two** of the extracts and learn some of the lines.
6. Do **NOT** answer section C.
7. Make sure you are **specific** to the work that you are doing.
8. Be **precise** and get straight to the point. Don't waffle!!
9. Remember to always say **WHAT** you did, **WHY** you did it and **HOW** you did it.
10. Write down notes on the question paper before you start, then tick them off as you use them. It will make you think about what you are writing and whether the question asks for that information.

11. READ THE QUESTION

Good luck with the exam and I am here to help if you need it.
