### The impact of core values

Söderporten school, Norrköping

The school is extremely multi-cultural, with most children having recently arrived in the country and speaking Swedish as a second language.

Our Core Values have helped to:

 $\hfill \square$  Achieve in 2010 the best exam results since the national grading system was introduced in Sweden in 1997

 $\hfill \Box$  The school's video surveillance is being switched off in autumn 2010
